## Also see: Curriculum policy

Our vision is to provide pupils with the confidence, skills and ambition to achieve a successful and productive life. We aim to ensure they leave us with the opportunities and are able to become positive members of their communities. To do this, we have 3 principles that underpin our policies, practices and everything we do:

- Everyone can learn, achieve and has the potential to be successful
- Positive relationships are key to success and are underpinned by mutual trust, respect and caring for one another
  - We have high expectations in everything we do

# INTRODUCTION

## DISABILITY STATEMENT

At White Trees Independent School, we believe in providing every opportunity to develop our pupils and staff to reach their full potential. Our pupils are encouraged to challenge themselves to be the best they can. We achieve this by ensuring:

- everybody feels valued, cared for and respected
- all our pupils have full access to the whole curriculum (including activities, trips, sports, assemblies, and reward events).

It is our aim to reduce, and where possible eliminate, barriers to access in our schools, the physical environment and the curriculum for pupils and prospective pupils, staff, parents/carers and visitors with and without a disability.

We promote and support disability awareness and equality for all disabled pupils, staff, parents, stakeholders, and visitors to our school. We have a duty to publish our Accessibility Plan which explains how we are doing this and what we plan to do, which follows this statement.

This accessibility plan should be considered alongside our Equality and Diversity Policy. It is written to meet the requirements of Schedule 10 of the Equality Act 2010.

As a school providing education and support to pupils aged 11 to 18 with social, emotional and mental health (SEMH) difficulties, we have a responsibility to:

- consistently promote equality of opportunity
- eliminate unlawful discrimination
- eliminate disability-related harassment
- promote positive attitudes towards disabled people
- encourage participation by disabled people in public life
- be tolerant and aware of all needs of pupils, staff and visitors
- take steps and make reasonable adjustments to meet disabled people's needs.

## OUR ACCESSIBILITY PLAN

This accessibility plan considers primarily pupils but all stakeholders' access to:

- the curriculum
- the physical environment
- information normally provided in written form
